PREVIOUS JOBS

Connect Design Group

November 2020 - March 2021

Connect produce printed material in large print, Braille and Audio formats for people who are visually impaired. I worked in-house as part of the design team to produce all documents.

Creative Play

October 2019 - July 2020

Creative Play design and manufacture playgrounds out of Chester. Working in-house, to produce all company graphic, website, social media and marketing material.

Hazel May Designs

June 2011 – Current

Working as required in craft markets. Responsible for creating an environment that improves a buying experience. Also in charge of driving sales and demonstrations.

FREELANCE EXPERIENCE

My Wool Shop

November 2020

A small business who sell and ship wool and other craft material throughout the UK. I worked with the business to create a refreshed branding style and website.

RIP: STARS

May - December 2018

RIP:STARS are a group of young adults based Coventry. I worked freelance to create a new brand identity and guidelines for the group which I then later used to publish a research report and framework which is now published in both the UK and Croatia.

Aparito

February - November 2018

Aparito produce wearable technology for medical companies across the globe. I worked with the app development team to create a instructions manual that was then printed in both the UK and South Africa.
